Dear Team CMS Families,

As stated in the [BCPS Reopening plan](#), families who have selected virtual learning or have not responded to the return to school survey, will have ongoing opportunities to update their choices and choose in-person hybrid learning. Our staff will be able to accommodate requests, make necessary arrangements and work with transportation (if applicable) to ensure a smooth transition back to school. The schedule below is in alignment with the phased re-entry to school. If you would like to return to hybrid in-person learning, please submit your request at [THIS LINK](#) or scan the QR code below. **Please respond by Thursday, February 11, 2021**, if you are interested in hybrid learning. **If you would like your child to continue full virtual instruction, you do not need to do anything.**

Please use the schedule below to identify request date windows and hybrid learning start dates for students. The specific start dates will be cohort dependent (Cohort A- Mondays and Cohort B- Thursdays). Families will receive a cohort assignment message before the first day of school.
