

## **Catonsville Middle School**

### **Car-Riders**

#### **Drop-off and Pick-up**

**AM** – In the morning, parents of students who are being dropped off should proceed to the back (turn right into the bus loop, then continue past the 6<sup>th</sup> grade wing), and drop your child off at the gym lobby doors. Students may also be dropped off along Edmondson and cross at the crosswalk. In the morning, this will always be covered by a crossing guard.

**PM** – Because of bus arrival in the afternoon, no cars are permitted to pull into the bus loop. We have buses that proceed to both the gym lobby and the front loop. Dismissal begins at 3:00, and all students should clear the building by 3:15. Our goal is to ensure that dismissal is safe and efficient. Students will need to go to their lockers, so they will have additional time to ensure they make it to their bus on time.
